**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

It is my understanding that USTelecom is trying to cut competition by closing down some of the smaller internet providers. My husband and I have relied on Sonic for our internet service for several years and couldnt be happier with their service. Once when we had a problem, they were very helpful in getting it solved.

We dont want to go with one of the big providers because they are more expensive and often tend to have big problems.

We want to keep Sonic as our provider. Please tell USTelecom to back off.
